November 26, 1981

Notice of change for a previously announced press conference scheduled for 1:30 p.m. (Nov. 26) at Concordia University.

Instead, a joint press conference of Quebec universities will be held at 2:00 p.m. in the Queen Elizabeth Hotel's Peribonca Room.

This, the first joint press conference by Quebec's university heads, is being called to protest cutbacks in government funding for higher education and to describe the financial situation facing the provinces universities. Cutbacks threaten the quality of education and limit accessibility.
